Fire Marshal

On July 22, 2015 at 0153 hours, North Brunswick Fire Department responded to 1600 Livingston Avenue for a reported fire alarm activation. Upon arrival, the first engine reported smoke coming from the eaves of the roof on the A" or front side of the building. Upon arrival the Fire Chief drove around the "C" side or rear of the building and saw heavy fire conditions. He immediately called for 2nd and 3rd alarms assignment and requested the County Fire Marshal's Office Fire Bureau to respond.

Upon arrival of the County Fire Marshal's Office, in conjunction with the Fire Chief, immediately called in were specialized fire apparatus and equipment. Set up operational periods and scheduled taskforces to respond. There were 10 operational periods each for 12hours lasting 5 days. Tanker Taskforces, Foam Taskforces, 5" supply Taskforces and various support Fire engines and equipment were deployed for each operational period.

The list below includes 12 Counties of Fire Service from New Jersey and 1 Fire Company from Pennsylvania used for the extinguishing of the fire.
